To Whom It May Concern

### REFERENCE FOR BEEBO CONSTRUCTIONS

We are an award-winning, multi-disciplinary design firm that only designs and develops 1<sup>st</sup>. class, one-off projects, a number of which are shown on our website [www.dreamtimeaustraliadesign.com](http://www.dreamtimeaustraliadesign.com).

I worked with Beebo Constructions during the construction of the *Victor Churchill* Butcher Shop in Queen Street, Woollahra and am more than pleased to be able to highly recommend this company as an equally 1<sup>st</sup> class builder.

Simon and Chris's attention to the unusual amount of intricate detail involved in this ambitious project, their communication skills and overall diligence in an effort to achieve the elusive mix of construction quality, timing and budget makes Beebo one of our 1<sup>st</sup> choices in Sydney to recommend to our clients.

Should we able to further assist I can be contacted in our office at the number below.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael J. Mc Cann". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
